On my homepage I have included links to Internet pages, the content and currency of which are not under my control. The following statement applies to all such links: I have no influence on the layout and content of third-party Internet pages. I therefore wish to distance myself from all third-party content, even in cases where a link has been included from pages on my homepage [www.schroth-skoliosebehandlung.de](http://www.schroth-skoliosebehandlung.de) to these external pages. This explanatory note applies for all links shown on my homepage and for all the content of such pages.
